

New for 2016

In addition to the two usual BRAMCO routes on paved county roads, we are offering an alternative. We've added a scenic gravel ride that will cover about 15 miles, and include: covered bridges, a possible stop at a local winery, a lunch served until 3pm and a commemorative t-shirt. Both the paved routes and the gravel ride will begin and end in the Winterset City Park.

For planning purposes, we ask that you put a check mark by the route you choose to ride. (see registration form)
