

A MUSICAL CYCLING FESTIVAL

symphonyCycle is a brand new cycling festival **May 14, 2016** combining music, cycling and scenery in a one-of-a-kind event to support the **Waterloo-Cedar Falls Symphony** and kick-off Iowa's summer cycling season.

- Tour Iowa's picturesque farmland and support community-based music programs on a supported ride. Routes include a Century, Half Century, Quarter Century, or Family Friendly option.
- In true wcfSymphony fashion, live music is incorporated into each of the event's rest stops as well as at the festive post-ride expo.
- symphonyCycle will have something for everyone. Kid-friendly activities include wcfSymphony's irresistible Instrument Petting Zoo.
- In addition to enjoying the ride, music and expo, all participants will receive a swag bag with cycling gear and special musical surprises.
- Rides launch from downtown Waterloo and return to the panoramic RiverLoop Amphitheatre for the post-ride celebration, featuring food, local beer tent, cycling expo and live music.
