## Orchard Place:

Orchard Place is Iowa's premier provider of children's mental health and juvenile justice services. For the past 120 years, Orchard Place has worked to make a difference in the lives of seriously emotionally disturbed children and their families. Our mission is to strive to heal troubled hearts and minds in an effort to help the children we serve build strong futures.

In 2005, Orchard Place served more than 5,600 children and young adults, ages 0-22, through the Child Guidance Center, the Orchard Place Campus, and the PACE Juvenile Center. Thanks to friends like Iowa Carpet One and the support of individuals like you, we have been able to make a measurable impact on children and families throughout the state of Iowa.

The Pedal for a Purpose–Tour de Orchard Place Family Bike Ride is a charity event designed to benefit the children of Orchard Place. This year, we hope to raise more than \$15,000 for our Recreational Programming Fund. Thank you in advance for your support!
