

Join us for a
Bike Ride In Story City

Three routes make this event a great way to spend the day with family, have fun with friends, or train for other events. Be with us on July 7th (rain or shine) for our 4th annual **BRISC** ride!

A 72-mile round-trip ride begins in downtown Story City at 8:00 am. This ride takes you through Story, Hamilton, Hardin, and Marshall Counties and features three official **BRISC** rest stops in neighboring communities for free snacks and refreshments. Lunch is also available for purchase at the halfway point at **Flatheads** Bar & Grill in St. Anthony. If 72 miles gets to be a little too long, an escape route of 48 miles is also available. You will find inspiration along the route as you make your way back to Story City's quaint downtown.

A 20-mile route begins in downtown Story City at 9:00 am. This route takes you through Story and Hamilton Counties and includes 1 rest stop.

Are you part of a team? Deduct \$3 per adult for teams of 5 or more who register together.

Helmets are strongly advised for adults and required for all participants under 18

After your BRISC ride
 Join us for
FOOD and FUN
 at The Cottage on Broad

Chef Chris Hansen and Hostess Sue Ernest invite you to their Open Patio Party
 Registration fee includes after ride food and entertainment as well as **BRISC** door-prizes
