

16TH ANNUAL "RIDE WITH THE CLOWNS"

SPRING TUNE UP

SATURDAY, MAY 2nd, 2020

The 16th annual **Ride With The Clowns Bike Ride** date will be Saturday May 2nd and our starting point and registration will be The Owls Nest at 116 S. Court St in downtown Ottumwa. **Registration and Departure time will be from 8:30-10 am Rain or Shine!**

Our ride will take you across the Market Street Bridge and then will follow Ottumwa's fantastic bike path up river to the intersection with Quincy Avenue (by Applebee's). We will then follow Blackhawk Road to the intersection with Rock Bluff Road. So much to take in from here! You'll love the beautiful scenery of the wooded rolling hills, views of the scenic meandering Des Moines River, and the new concrete road that takes you to the little burg of Chillicothe. We will then follow the Power Plant road to the Wapello Monroe county line road where you will follow it south to our Halfway Point in Blakesburg. After lunch and a much-deserved rest, the ride will follow Bluegrass Road back to Ottumwa and then follow West Finley to Madison Avenue (in front of John Deere) where you will again follow the Ottumwa bike path to the historic Wabash Railroad Bridge and cross the river and end the ride back at The Owls Nest for something cold to drink after a casual 41-mile ride. A 34 mile alternative is available (our old ride using 87th st (also known as old 34) and both routes will be supported by the shag truck. **Each rider will receive a drink ticket to be redeemed that day from The Owls Nest while you check out the raffle prize winners!**

PRE-REGISTER by April 19th for \$20.00 per rider, or pay \$25.00 the day of the ride. Price includes the "Clown Ride" shirt. For those who register the day of the ride your shirt will be delivered to your home later. Please remember that proceeds of the ride benefit the Ottumwa Shrine Clown Unit and our support of the Shriners Hospital Special Bikes for Special Kids program.
