Tour de Tivoli

Come and be a part of the first annual Tour de Tivoli Bike Ride. Proceeds go to the Petersen Family Wellness Center Fundraising Campaign, Harlan, IA and the Livestrong Foundation.

Ride the 26 mile loop with Local Livestrong Army Leader, two-year cancer survivor, Lisa Thomas as she takes you on a great training route for the "ride across Iowa". Greg Roecker, Vice President of the Huff "N" Puffers Bike Club will tackle the 52 mile loop for those riders who want a double marathon.

Registration begins at 8:00 a.m. in Elk Horn, IA across from the Danish Inn Restaurant (near the Danish Windmill). Aebelskiver Breakfast will be served to riders at the Fire Station in Elk Horn before the ride officially begins at 9:00 a.m.

Tour de Tivoli will be a "poker run" and prizes donated by local bike shops and businesses will be awarded to the best hands. A ___ bike, donated by Pepsi, will be raffled at the end of the ride. Raffle tickets are available prior to the ride, or the day of the ride for \$ 5 each.

SAG stops will be provided along the route with water and snacks. That is also where you will pick up your poker cards.

The Tour will end again in Elk Horn where there will be several options for lunch: BBQ cook-off, Danish Inn, Open faced sandwiches and other vendors. There will be other Tivoli activities to enjoy after the ride.

You may pre-register by completing the form below and mailing to the address on the form. You may also register the day of the Tour. For questions, call 712-755-4417.
