

A Benefit for Kelly Koenig

Kel on Wheels Donations for CBD Research

- ▶ **Corticobasal Degeneration** (CBD) is a rare neurodegenerative brain disease that has no known cause, treatment, or cure.

Our friend and neighbor **Kelly Koenig** is a victim. But he's fighting back. He can cycle, and he can sing. So, let's all join Kel...

We'll **RIDE** and raise money to fight this rare and progressive neurological disorder. Then later, we'll **ROCK** and raise money to help the Koenigs defray the significant expenses associated with Kel's fight.

and guests

Kelly and Karla Koenig have requested that all proceeds be given to the Mayo Clinic program headed by Dr. Bradley Boeve and to the Cure PSP | CBD Foundation.

Our goal is to donate 100% of your non tax deductible donations from the Ride to research.

We strongly encourage you to donate directly to Cure PSP which funds many CBD research efforts. Your donation is tax deductible.

Be sure to indicate that your gift is in honor of Kel Koenig...

DONATION INFORMATION

All proceeds from the music event at the Elks will be donated to Kelly and Karla to defray expenses relating to travel (Kelly has been accepted in to the Mayo Clinic's research program), medical treatments and related therapy and support costs. This debilitating disease requires enormous expenses.

Donations from Evening of Rock go to the Koenig family (non tax deductible but critical).

- ▶ **To send a check**, make payable to Kel on Wheels and indicate what it is meant for in the memo line: \$20 ride registration, sponsor a rider (please name rider), or the Koenig Family.
